

Captivating Contemporary

6172 Devon Dr., Columbia, MD 21044

Stunning contemporary home with lots of windows and airy rooms that soak up the sun. The easy to live in design offers 5 bedrooms including a main level bedroom with adjoining bathroom. Other features include a two story living room highlighted by a floor to ceiling fireplace, hardwood floors through out both levels, first floor family room with a full brick wall fireplace, Corian counter tops in the kitchen, master bedroom library retreat with overlook and custom built in bookcases. The premium wooded lot provides plenty of privacy and the perfect setting for this exceptional home.
